Hi Firstname Lastname,

There will be blood.

I've been totally ripped off...

I'm out for blood.

I just found out that yet another of my former students has ripped off my materials and is now selling them with his own name on the cover.

Pretending that he came up with the money-making system that I taught him.

And frankly, I'm sick of this.

It's happened to many of us.

So to shut these guys down once and for all, I decided...

"There Will Be Blood"...

And when I say, "there will be blood" I mean it.

When you get robbed, ripped off, and cheated, sometimes there just has to be blood.

And you, are going to profit. Big time.

I don't know how long I will leave this offer open. What I do know is that you should take advantage of my anger at these intellectual pirates...

...and you should grab this \$5,500 value for just one buck WHILE IT LASTS.

And just in case you're wondering what I'm doing with the \$1 - I'm giving it to charity.

More on that in a bit.

First, here's the whole story...
